## About Me

Hi, my name is Zeyad Alghamdi. I am a Computer Science student interested in web development.

“Always learning, always improving.”

## Projects

# My Portfolio Website

A showcase of my development projects

**Zayad Alghamdi**  
Web Developer

# Technical Demonstration

01

Project Cards

Display projects  
with images and  
descriptions.

02

Search Filter

Instant filtering for  
easy project  
navigation.

03

GitHub API

Fetches latest  
projects from my  
GitHub.

# Technical Architecture

The portfolio website is built using **HTML, CSS, and JavaScript**. It utilizes the GitHub API for dynamic content and employs LocalStorage for user preferences, ensuring a smooth experience.

# Technical Deep Dive

**Exploring challenges and solutions in development**

## GitHub API Integration

Successfully fetched latest repos using GitHub API.

## Theme Toggle Consistency

Ensured seamless light/dark mode transitions throughout.

## Smooth Search Feature

Implemented instant filtering for user convenience.

## Using LocalStorage

Persisted theme and greeting preferences efficiently.

# Outcomes and Future Improvements

Thank You for  
Your Attention
